NOMAD

- *DAYBED*

The NOMAD collection engages in a dialogue between wabi-sabi inspiration and French sophistication. The raw appearance of brushed wood contrasts with the upholstered curves of the seating; the minimal line merges with rounded forms, creating a harmonious and refined balance. The solid wood plank, seemingly floating, imparts a distinctive aesthetic and functional intent to the NOMAD sofa. While accommodating the seating, the overhangs on either side allow for placing and displaying items, giving a personal touch to the furniture.
