

JELLYFISH

WALL MIRROR - WHITE GOLD LEAF

JELLYFISH

• WALL MIRROR - WHITE GOLD LEAF

The JELLYFISH collection captivates not only with its aquatic reference but also with the choice of its flagship material. The table lamps charm with their tangible texture in chamotte plaster and their presence in space. A round mirror, with indirect light that enhances the textured material, completes the collection.

This mirror adorned with white gold leaf is a limited, numbered and signed edition.
