ISLA

- *TRIO SOFA*

Inspired by Mallorca, where mountains meet the sea, the ISLA collection is conceived as a habitable landscape of free, irregular forms. Its hand-shaped solid wood structure, inspired by a boat's hull, combines traditional craftsmanship with a strong architectural presence. Sculptural shelves, generous armrests and soft seating create a rhythmic landscape designed to be experienced from every angle. Available in multiple configurations, ISLA brings together architecture, comfort and maritime inspiration.
